Imbestigador Ng Bayan's Suggestions for Today, MAY 21, 2011

My suggestions:

1. 24 Oras Regional Versions

In able to compete with ABS-CBN in regional programming, I suggest that GMA must make regional newscasts too. This would have a trial run for 2 weeks, and if the audiences are pleased with the results, this would be permanently on air.

2. Bring back Star Box: Dito Kasali Ka!

Since I like the show, I suggest that it will return on the air, with improvements, and since I wish that GMA would blocktime IBC's daytime hours, it will have a simulcast.

3.Bring back DIZ IZ IT!

because Diz iz it is less boring....more games....more fun.

Revised by admin anjho :) arigatou!

ImbestigadorNgBayan's Suggestions for Today (May 22, 2011)

- For GMA, please rename Super Radyo as GMA News Radyo.
- For IBC, stop showing repetitive episodes of Tipong Pinoy and TV shopping and air movies on your vacant timeslots.
- For RPN, please carry Newswatch on cable

IBC-13's Relaunch (by AJake, revised by ADMIN-Joshua)

If ever kung mabili ko ang 80% stake ng IBC-13. I will plan to order a new transmitter, new HD cameras, and other broadcast equipment for its TV & radio broadcasting as well as the regional stations. I will conduct a 1-month test broadcast before its official reopening. Some of the shows would be co-produced by GMA.
